

Who We Are

Background

Carelink Healthcare is a new and dynamic staffing agency dedicated to providing exceptional health care services. We specialize in staffing for long-term care facilities, group homes, hospitals, and private residences, focusing on individuals of all ages with diverse medical and developmental needs.

Why Choose Us?

As a new company, we want to be synonymous with excellence and we intend to bring innovative solutions and a dedicated approach to care. We tailor our support to meet the unique needs of each client, ensuring personalized and responsive care, while ensuring our scheduling coordination is available around the clock, ensuring access to our qualified staff whenever you need it.

- Professional Support Staff
- Good People And Inspiring
- Person Centered Approach

Our Staff

The primary objective in recruiting our staff is ensuring our staff members receive extensive training in areas such as epilepsy, diabetes, asthma, wheelchair lifts, autism, dementia and Alzheimer's to name a few
